

PowerArc[®]

Warning Lights

All PowerArc LED products carry a 5 year Limited Warranty on the LEDs, electronics, & drive mechanism

All PowerArc Halogen products carry a 2 Year Limited Warranty

PowerArc, Incorporated warrants that each new Light Emitting Diode (LED) product will be free of defects in material and workmanship for a period of five (5) years from date of purchase or delivery, whichever is later, when the product has been properly installed and operated under normal use and service.

PowerArc, Incorporated warrants that each new halogen product will be free of defects in material and workmanship for a period of two (2) years from the date of purchase or delivery, whichever is later, when the product has been properly installed and operated under normal use and service.

During the warranty period, the obligation of PowerArc is limited to the repair or replacement, as PowerArc may elect, of any PowerArc part or parts of such product(s) which, after examination by PowerArc or its authorized warranty service center, discloses the product to be defective in material and/or workmanship. All product(s) returned for warranty examination must be shipped freight prepaid. This warranty does not cover travel expenses, the cost of specialized equipment for gaining access to the product, or labor charges for the removal and re-installation of the product.

Excluded under this warranty, any non-PowerArc manufactured devices installed by PowerArc; including, but not limited to, LED brow lights, remote controlled spot lights, and traffic emitters. These devices carry their own manufacturer warranty. Assistance will be provided in establishing contact to the specific supplier of the defective item.

All warranty claims must be submitted through our online warranty form at (www.powerarc.net). A Returned Material Authorization (RMA) will then be issued. Product returned without a valid RMA number will not be processed. After the product(s) has been returned, freight prepaid, examined, and determined to be defective and under warranty by PowerArc or its authorized warranty service center, the product will be repaired/replaced and returned.

The use of lamp(s) or other electrical load(s) of a wattage higher than installed or recommended by PowerArc, or use of inappropriate or inadequate wiring or circuit protection voids this warranty. This warranty does not extend to any product, which has been subjected to abuse, misuse, improper installation, or which has been inadequately maintained or has been modified at any facility other than PowerArc or an authorized warranty service center. There is no warranty on light bulbs.

THERE ARE NO OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT SHALL POWERARC BE LIABLE FOR ANY LOSS OF PROFITS OR ANY DIRECT OR CONSEQUENTIAL DAMAGES ARISING OUT OF ANY SUCH DEFECT IN MATERIAL OR WORKMANSHIP.

-- EFFECTIVE 1/01/15, REPLACES ALL PREVIOUSLY PUBLISHED WARRANTIES --
